Stay in Touch With Us in 2021

There are many ways you can stay in touch with The League throughout the year, and social media is one of them. The League has presence on Facebook, Instagram and LinkedIn, where we are sharing important information, upcoming events and more about the impact that our organization has on the local community. We invite you to like/follow The League's social media pages if you do not already.

We also invite you to visit the section of our website that we have dedicated to [COVID-19](#). Here we are communicating important updates and information on our programs that may be important to you.

Still looking for more information? You can always reach out to us at info@leagueforpeople.org with your questions and we will respond to you in a timely manner. We look forward to keeping in touch in 2021!

A New Year Message From Our President & CEO

Dear Friends of The League,

On behalf of everyone at The League, a belated Happy New Year to you and your loved ones. The League had much success in 2020, and here are a just a few highlights I would like to share:

- To adjust our programming to meet the needs of the COVID-19 pandemic, we launched *League University*, a virtual programming platform to continue to support our participants in need.
- The League tripled the size of our relatively new Personal Supports program, providing daily living support to children and adults with disabilities.
- We recently held a successful end of year campaign to support The League's Annual Fund, where we acquired new donors and an increase in individual support of our mission.
- Under the direction of The League's Board of Directors, we implemented a three-year strategic plan, focusing on building staff capacity, creating opportunities for greater awareness of The League in the community, and building structure to increase our development revenue to support the growing needs of our organization now and in the future.

I am also pleased to share that many of our direct support professionals have taken advantage of being in a priority group as "community health workers" and received their initial dose of the COVID-19 vaccine. The League will continue to provide education to support our staff as they navigate this process.

In April, The League will celebrate 94 years of providing services in the Baltimore community. My hope is that you continue to stay in touch with us this year, and continue to support our mission as we work hard to support 2,000 participants with disabilities each year.

Stay safe, and take care,

David A. Greenberg
President & CEO
