# **Referral Discount**

The greatest compliment that one of our families can give us is to recommend our Camping & Recreation programs to others. Since word of mouth is the best advertising we can get, we want to encourage our families to tell others about Camp Greentop programs. So, Camping & Recreation is now offering a referral discount to our current families!

This new incentive program will offer a \$100.00 discount to families who refer another family to a Camp Greentop program. Please see below for program rules:

1. The referred family must not have been previously enrolled in any Camping & Recreation program in any prior year.
2. The referred family must complete the registration process (including any applicable deposit) before the discount will be applied to your account.
3. The referred family must list your name on the registration form in order for you to receive credit for the referral. (If your name is not listed on their initial registration, we will be unable to apply your referral credit).
4. Each family can receive only one \$100 discount per calendar year.

Thanks for letting others know what a great program Camp Greentop is!
